NCC: A RELATIONAL COMMUNITY

We have a certainty that the Scriptures (the Bible) are God's words, entirely trustworthy and dependable.

We have an understanding that the Bible is the grand account of God's love expressed through His creation of the world and human beings, their subsequent rebellion against Him, and the action God has taken over the centuries to reconcile broken humanity to Himself.

This reconciliation, including the victory over evil and death, was accomplished in the cross and resurrection of His Son, Jesus the Messiah.

The means we are made right with God through our faith and acceptance of what Jesus Christ accomplished for us in his sacrificial death and subsequent resurrection. We freely receive grace, forgiveness and reconciliation through the work of the Holy Spirit.

Because of the victory of Jesus over death and evil through His bodily resurrection, we are empowered by God's Holy Spirit within us to live fulfilling and purposeful lives.

God has commissioned His followers with the vocation of the Ministry of Reconciliation—the mission of helping others to become right with Him. Because of His great love, He restored the broken relationship we had with Him, and now He wants all of us to reconcile the estranged relationships that exist in all of humanity.

As we live out our new vocation, we eagerly await Jesus' visible return, beginning his reign in the new heaven and new earth.
