NCC: A RELATIONAL COMMUNITY

We have a certainty that the Scriptures (the Bible) are God's words, entirely trustworthy and dependable.

We have an understanding that the Bible is the grand account of God's love expressed through His creation of the world and human beings, their subsequent rebellion against Him, and the action God has taken over the centuries to reconcile broken humanity to Himself.

This reconciliation, including the victory over evil and death, was accomplished in the cross and resurrection of His Son, Jesus the Messiah.

The means we are made right with God through our faith and acceptance of what Jesus Christ accomplished for us in his sacrificial death and subsequent resurrection. We freely receive grace, forgiveness and reconciliation through the work of the Holy Spirit.

Because of the victory of Jesus over death and evil through His bodily resurrection, we are empowered by God's Holy Spirit within us to live fulfilling and purposeful lives.

God has commissioned His followers with the vocation of the Ministry of Reconciliation—the mission of helping others to become right with Him. Because of His great love, He restored the broken relationship we had with Him, and now He wants all of us to reconcile the estranged relationships that exist in all of humanity.

As we live out our new vocation, we eagerly await Jesus' visible return, beginning his reign in the new heaven and new earth.

NCC Volunteer Spotlight

We believe at New Covenant that impacting the next generation affects not only the community but eternity. Josh Swanson has been a shining light for NCC Kids. The role that Josh plays in kid's ministry is monumental. Not only does he keep everything technical running smoothly, but he also teaches the 1st grade class with ease and confidence. The positive influence this Senior from Sandia High School has on our young boys is inspirational. Thanks Josh for the impact you're having in the lives of our kids.
