(Romans 5:1-5)

2. God’s love is displayed in the undeserved _____ Christ paid. (Romans 5:6-11)

The Source and Results of Our Joy

I. Jesus is the only source of _____ and _____ joy (Luke 1:39-45)

II. Jesus as our joy defies our _____ (Luke 1:46-49)

III. Joy is a _____ (Luke 1:46-49)

This is only the beginning of journeying into the love and joy of Jesus, but the message and the takeaway is simple: We have reason for joy because God is with us. Let’s choose to make this a season of celebrating God’s love for us and the joy that brings as a result. Let’s rejoice as we await the arrival of Christ, and let’s celebrate His birth with joy. God is with us. And so, love and joy are with us.
