## Read Matthew 20:20-28

1. After reading Matthew 20:20-28 what did you see Mrs. Zebedee asking Jesus for? Why would she have asked this of Jesus?
2. When you pray for yourself and the generation that will come after you, what exactly should we be praying for according to this passage?
3. What does it look like to be preparing ourselves and future generations to become the greatest Jesus-followers ever? Be specific with actionable steps.
4. Summarize what it is you believe as a Jesus-follower and then explain why it is that you believe that and how you're living it out.
5. Stop for an extended time of prayer right now asking God to prepare you to be a follower of Jesus that treasures Him above all else and that disciples the next generation to do the same.
