Revelation 14:14-20 Study Guide

Read Revelation 14:14-20

1. What descriptions of Jesus do you see in Revelation 14:14? What is significant about each of those descriptions?

2. In reading of the swiftness and severity of the grain and grape harvests, how does this affect your view of Jesus? How and why should this actually bring hope and comfort to God's people?

3. Why is Jesus so severe in His judgments in this passage? Is the severity justified? Why or why not?

4. The conclusion of Pastor Dave's sermon is listed below. While the question at the end is a bit personal, this is a great place to be vulnerable and honest. So, honestly answer which of the three people you are currently and share what you will do as a result.

It is here that I could see Jesus asking, "Hey child of mine, are you living in light of eternity by living fully for me? If so, keep up the good work. If not, repent and live for what matters most, Me!" And to the unbeliever, "Hey enemy of mine, why are you living for the things that only bring death? Why are you playing for a team that can't win? Repent and follow me. Stop living for things that lead to destruction and death, live for Me and receive eternal life!"

So, which of the three are you?

1. The enemy of Jesus who refuses to trust Him as Lord and Savior and needs to accept His free gift of salvation today.

2. The child of His that lives like the rest of the world and needs to rededicate his/her allegiance to Him.

3. The child of His that is living for Jesus and needs to keep fighting the good fight.
