

Series: The Unveiling

“Unsealed, Unleashed, and Undone” (Part 2)

Revelation 6:1-17

The Big Idea:

In His time and in His way God will righteously judge this world.

(Revelation 6:1-17)

The Beginning of the Tribulation

1. Jesus will _____ judge the world. (Revelation 6:1-8)

2. Jesus will _____ avenge His people. (Revelation 6:9-11)

3. Jesus will _____ alter His creation. (Revelation 6:12-17)

Conclusion:

What we just read is so reminiscent of mankind today. With all the trials, tribulations, and tragedies we face man still refuses to cry out to Jesus, their Creator and the only One who can save them and instead cry out to the false gods of science, self, and self-made gods. If you've yet to cry out to your Creator and Savior, Jesus, do so now before it's too late!
