Read Revelation 14:6-13

1. What is the significance of the first angel flying directly overhead?

What does he pronounce (you should find three things he said)? What's the significance behind each pronouncement?

2. What does the second angel pronounce? What is significant about Babylon? How is the world we live in today similar to Babylon? What message does that carry for people today?

3. What does the third angel pronounce? Does it seem like God's judgment as pronounced in verses 9-11 is too severe? Why or why not?

4. Verses 12-13 speak of the triumphant death of the saints who follow Jesus and the rewards they will receive. What are those rewards? How do those encourage you to keep remaining faithful to Christ?
