Revelation 18:1-24 Study Guide

Read Revelation 18:1-24

1. After carefully reading and observing Revelation 18, how would you sum up this chapter with one title and/or one thesis statement? Why would you sum it up that way?

2. Pastor Dave summed up this chapter by saying, “**The man who glorifies himself will be brought down while the man that glorifies God will be lifted up.**” How did you see this come to fruition throughout this passage? In what ways do you see this coming to fruition amongst those that are in power today as well as among all those that align themselves with Satan?

3. Knowing what awaits those that have rejected Jesus, what should you and I as the church be doing about it? What would this look like in your everyday life? Where are you doing well at this already and where is there some need for improvement?

4. Write down at least three things the Lord has promised to His people that are guaranteed to come to fruition. Now praise Him together for those things in prayer. Once you have finished this part of praising together, go to the Lord in prayer by praying for people by name that have yet to trust Jesus and ask Him to give you the wisdom and courage to share Jesus with them this week.
