# Revelation 20:1-10 Study Guide

Read Revelation 20:1-10

1. Read Isaiah 11:1-10. How does this describe the Messiah's reign and what are some of the effects of His rule? How will the world be different while Jesus is ruling? How will His rule be different from the rulers of today?

2. After reading Revelation 20, why is the millennium necessary? What will it prove in regards to what God's Word has taught regarding Christ's righteousness and mankind's wickedness?

3. What aspects of the millennium do you look forward to the most and why? How would you describe what the world will be like?

4. Revelation 20:4-6 says we will be given the authority to judge mankind. In what ways has your walk with Jesus in this life prepared you for this time of judging? What will this judging be like and how does it speak to the discernment and judging we should be doing today?
