Revelation 21:1-8 Study Guide

Read Revelation 21:1-8

1. What are some of the descriptions you see in verses 1-4 of our future home in heaven? Why would some of these descriptions been so meaningful to those John was writing to? Why are they so meaningful to you?

2. Who are the people that are described in this passage? According to verses 5-8 what is it that people will inherit, both believers and unbelievers? What's the greatest gift that will be received by believers? What makes it the greatest gift?

3. Read verse 7 again. What does it mean to be a “conqueror” (see 1 John 5:4-5) and what does it mean to be a “son” (see Romans 8:14-17, 23)? How should knowing that you are a “conqueror” and a “son” affect the way you live now?

4. After reading Revelation 21:1-8 what excites you most about what you will experience in heaven? (It can be more than one thing 😊) How does the anticipation of what you'll get to experience in heaven give you strength and hope to face today?
